PERU TREK

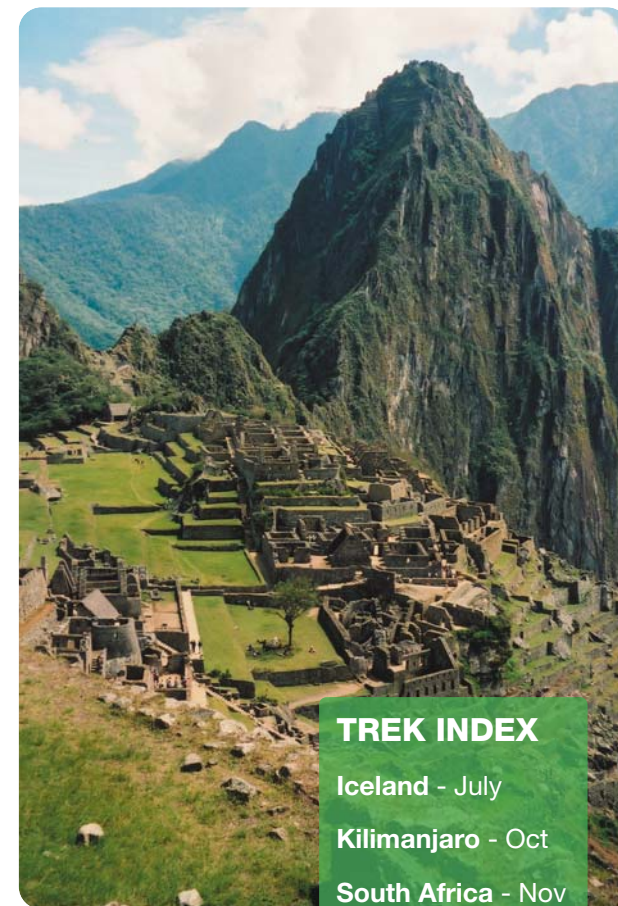

dates Nov 2012 and 2013

This trek is still proving to be one of the most popular treks as people want to see Machu Picchu before it is too late. The celebs have trekked it a few years ago and we all saw how beautiful this country is and It also happens to be 100 years since Machu Picchu itself was discovered in July 1911!

Experience diverse scenery as we trek through traditional Andean villages and along high remote mountain trails before we visit Machu Picchu, one of the world's most important archaeological finds.

For those of you with a love of landscape, a passion for history and a sense of adventure then look no further and come trek with us!
